

# THANK YOU THANK YOU

How do words truly express my gratitude for what the church has done for my family and me. First let me express how grateful I am to God for allowing me to serve this congregation for the past ten years. I hope and pray He will grant me the grace to be a part of the ministry here for a long time to come. Second—you outdid yourself this past Sunday! I was overwhelmed with the number of cards, gifts and phone calls received! It took Lisa and me almost two hours to open and read through all that was written. There were moments my eyes watered with tears and instances of intense laughter! Lots of memories were revisited through all you did. I personally want to thank both the ministerial and administrative staff alongside the Personnel Committee, the Music Committee, the Senior Adult Committee and the Family Life Committee for all your hard work in planning Sunday's event. To say I felt honored is an understatement. I am truly humbled by your generosity. I want to thank you for not only caring for me these past ten years, but also for making Lisa and Abby a part of this church family. We are a package deal! It can be difficult at times when you live away from your immediate family, but you do well substituting for the parents, grandparents, aunts, uncles and cousins back in Kentucky. Again, thank you so much for allowing my family to be a part of the life and ministry of First Baptist Church. Fred

A big "Thank You" to Vedys Mills and TSI Embroidery for personalizing our new aprons. They are really special. Look for them this Sunday at the Hanging of the Greens reception.
